Thank you Dave, As I become educated and learn more with this project, so do my leadership and tribal council.

Cynthia O.

Subject: Anaconda OU1 Groundwater RAOs

Dear Jack, and Anaconda Technical Stakeholders, Please find attached EPA's cover letter response to the OU1 RAO Tech Memo plus three attached sets of comments.

EPA would like to work with you to schedule a discussion with the stakeholder group on these comments and on the next steps of the Feasibility Study process.

Thank you.

Best Regards,

Dave Seter
